# Guinness Draught in Can

---

Guinness Draught is famous for its smooth velvety texture and unique surge and settle, thanks to the nitrogenating widget in the can, which delivers a rich smooth head. When it comes to flavour, the sweetness of the malt perfectly balances the bitterness of the hops, which are both complemented by the flavour of our Guinness roasted barley.

## Tasting Note

Guinness Draught is famous for its smooth velvety texture and unique surge and settle, thanks to the nitrogenating widget in the can, which delivers a rich smooth head. When it comes to flavour, the sweetness of the malt perfectly balances the bitterness of the hops, which are both complemented by the flavour of our Guinness roasted barley.
