

# 6 O'clock Gin Damson

---

6 O'clock Damson is a fantastically fruity gin made in small batches using handpicked whole British fruit. Time works wonders which is why they leave their gin to slowly mature on masses of luscious Damsons for at least 6 months. The resulting gin strikes a delicious balance between tart fruitiness and warming spice, perfect with tonic, ginger ale or in cocktails.

## Tasting Note

6 O'clock Damson is a fantastically fruity gin made in small batches using handpicked whole British fruit. Time works wonders which is why they leave their gin to slowly mature on masses of luscious Damsons for at least 6 months. The resulting gin strikes a delicious balance between tart fruitiness and warming spice, perfect with tonic, ginger ale or in cocktails.
