# 6 O'clock Gin

---

6 O'clock Gin's London Dry is a strikingly smooth gin with a clean flavour led by juniper. The smoothness flows from their unique double-sphere copper still, the carefully selected botanicals and their distillers craft. Only the pure heart of each run makes the cut. Elegant and crisp in the mouth with refreshing and balanced notes of citrus, elderflower and winter savory. This is a gin lover's gin.

## Tasting Note

6 O'clock Gin's London Dry is a strikingly smooth gin with a clean flavour led by juniper. The smoothness flows from their unique double-sphere copper still, the carefully selected botanicals and their distillers craft. Only the pure heart of each run makes the cut. Elegant and crisp in the mouth with refreshing and balanced notes of citrus, elderflower and winter savory. This is a gin lover's gin.
