
Ableforth's Cherry Brandy 27.8%

Ableforth's Cherry Brandy works in a number of cocktails, such as the Blood Sand and the Cherry Sour. This spectacularly flavoursome Cherry Brandy is made using cherries and brandy - a change from most 'cherry brandies', which are made with neutral spirit and/or flavouring.

Tasting Note

Ableforth's Cherry Brandy works in a number of cocktails, such as the Blood Sand and the Cherry Sour. This spectacularly flavoursome Cherry Brandy is made using cherries and brandy - a change from most 'cherry brandies', which are made with neutral spirit and/or flavouring.
