# Aberfeldy 12 Year Old

---

Aberfeldy is famous for its particular honeyed notes - they come from the patient process of longer fermentation, which allows for more flavour development. We then distil in copper pot stills, handmade by the same family for over a century, and age to perfection in oak casks.

## Tasting Note

Aberfeldy is famous for its particular honeyed notes - they come from the patient process of longer fermentation, which allows for more flavour development. We then distil in copper pot stills, handmade by the same family for over a century, and age to perfection in oak casks.
