# Bottega Poeti Ancestral Spumante, Veneto

---

The term “ancestral” refers to an ancient technique that dates way back and has been passed down through generations to the present day. A wine characterized by almost no residual sugar and a strong and authentic flavor thanks to its humble roots. This wine is made using carefully selected Glera grapes and a small percentage of Moscato grapes.

## Tasting Note

The term “ancestral” refers to an ancient technique that dates way back and has been passed down through generations to the present day. A wine characterized by almost no residual sugar and a strong and authentic flavor thanks to its humble roots.
