
Albourne Bacchus 11%

Bacchus is a distinctive and very 'English' single varietal wine well suited for 'by the glass' listings. It is pale, light, crisp and refreshing with a complex and intense aromatic profile, often likened to NZ Sauvignon Blanc. Classic food match is English asparagus or goats cheese but also works well with seafood or stronger flavoured salads.

Tasting Note

Bacchus is a distinctive and very 'English' single varietal wine well suited for 'by the glass' listings. It is pale, light, crisp and refreshing with a complex and intense aromatic profile, often likened to NZ Sauvignon Blanc. Classic food match is English asparagus or goats cheese but also works well with seafood or stronger flavoured salads.
